

Secretariat Welcome Reception

Help us welcome Kate Tweedy and Jocelyn Russell

Join Loudoun Therapeutic Riding at the Middleburg Community Center and raise a toast to the G.O.A.T. as we welcome the Secretariat monument!

The 3,500-pound Secretariat bronze monument created by sculptor Jocelyn Russell will be returning to its home state of Virginia on August 8. To celebrate, Loudoun Therapeutic Riding will be hosting a pre-movie exclusive reception in the Middleburg Community Center's beautiful library room with refreshments provided by Greenhill Winery and an opportunity to meet Kate Tweedy, daughter of Secretariat's owner, and Jocelyn Russell. Immediately following the reception will be a free-to-attend Disney *Secretariat* movie showing and Q&A with Kate about her experiences growing up in such close proximity to the legend and her role in the filming of the movie.
